

RV Parking Terms and Conditions

San Mateo County Expo Center

Phone: 650-574-3247 FAX: 650-574-3985

1. All RVs must be parked only in the RV parking space to which they are assigned. If a space cannot accommodate a vehicle due to size restrictions (spaces allow for a 32' maximum length & 13' maximum width), Fair Management must be notified and they will reassign the RV to a new space, if possible.
2. A designated Expo Center employee must be present when you place your RV into your assigned space to ensure that it is correctly placed. If you park your RV on your own and you are parked in the wrong space, you will be required to move your RV to its correct space. There will be a Expo Center employee available to place RVs during the Exhibitor move-in dates.
3. All Federal, State and Local Laws apply while you are participating in the San Mateo County Expo Center.
4. Individuals may not bring alcoholic beverages onto the San Mateo County Expo Center grounds, including the parking lot areas.
5. All tow vehicles must be parked in a designated parking space with the parking pass
6. Any and all problems or situations that arise pertaining to RV parking should be brought to the attention of the Event Department. The Event Department, in conjunction with the Operations Department, will have the final authority pertaining to all RV parking issues.
7. To meet Fire Marshal regulations, at no time may an extension cord be stretched across a road or fire lane to supply electricity to other RVs or stock trucks. If cords are found stretched Event Management will unplug them and an attempt will be made to notify the owner of the vehicle to which the extension cord was connected. If this vehicle is found to be plugged in a second time, Event Management reserves the right to confiscate the extension cord and/or require the owner to remove their RV or stock truck from the grounds. No exceptions will be made to this rule.
8. Event Management reserves the right to remove any RV from the San Mateo County Expo Center grounds if the vehicle's owner or occupants are found to be in violation of these terms and conditions, State and Local Fair Rules and Regulations, or Federal, State and Local laws while participating in the San Mateo County Expo Center.
